

How To Do A Land Assignment For Blessing And Cleansing Your Land

If you are here because you want to be a faithful and willing intercessor to pray over your cities, regions, states, and nation, this is the time the Lord is calling up His people to STAND IN THE GAP and pray, ask for forgiveness, and to redeem the land, according to 2 Chronicles 7:14, "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

I have had many "land assignments" around the country, including my own land and home. Many of you have asked me to teach you how to do this. I have put together some video teachings and resources for you right here so you can begin with your own home and land, and then be prepared to pray over other locations the Lord sends you to. Taking Communion and getting the Communion that represents the blood of Jesus Christ into the soil was something the Holy Spirit made VERY CLEAR to me that He wanted to be done at each land assignment. It's the blood of Christ that speaks and makes intercession for the land and for us as a people of God!

The kingdom of darkness is helpless against the blood of Jesus Christ, and by applying it, we have by faith activated the finished work of the Cross against the enemy. It's a LEGAL transaction against the enemy, and they can no longer hold dominion in the land because the blood of Jesus takes over all authority, breaks all curses, cleanses sin, and destroys all demonic assignments that were once operating there.

Most of my land assignments from the Lord have been at key gateway locations — entrances to cities, an old ferryboat landing in my region that once was a main gate, bridges, post offices, schools, courthouses, on the beach in Sandbridge, Virginia, (coastal borders assignment), and all the way to the west coast too in Atascadero, California, and San Francisco.)

I found out that Daniel Boone had intended to build a road from the east coast of Virginia Beach, Virginia, all the way to a point between those two cities on the west coast! There are still some

old markers across the US where he intended to build. These early places in our history have to be re-dedicated to God, especially if they were corrupted or used for sinful things.

Daniel Boone was a righteous man; however, not every settler or leader was across these states. These sins against the land must be repented for as well. Sinful transactions could have even happened on your own land that need to be repented of. These sins can give a legal right of the demonic to hold a curse against the land and the region! These curses cannot be removed until they are covered in the blood of Jesus.

One thing I have learned is that each assignment can be different depending on the history of the place, so get yourself educated with these teachings. I know that the Lord wants me to give these to you so that more intercessors will be powerfully equipped to do this. Start with your own homes and properties, and then, if you are led, you can go and do bigger land assignments over a special location. I am so excited that you are here to learn this. I told God that it was the goal of my heart back in 2016 to have “boots on the ground” intercessors all over America and the nations doing land assignments and getting the land redeemed and healed by taking Communion and blessing the land! How glorious is this now that we are all doing this?! God is so faithful!

I had a prophetic word from the Lord that in this year — 2020; Hebrew year 5780 — it was very important that we as believers in Yeshua, Jesus Christ, take Communion on our land and also apply the Communion to our door posts as an act of faith and reconciliation before Passover coming up on April 8, 2020.

We do this to repent of the sins of our land, cleanse our land, and dedicate it to God. We also apply the blood of the Lamb — our Lamb, Jesus Christ — our Communion — over the door like the Israelites did at Passover as a prophetic act of faith to declare that our homes belong to God and are in covenant with God through the blood of Christ. Therefore, our homes are marked and covered in the blood of Jesus.

The activated words I give you today as you do this will send the message to all of Heaven and earth that you and your household belong to God and are blessed and that no curses or pestilence or disease can touch your home. They must “pass over,” in Jesus' name! This is a powerful time of DELIVERANCE for all of God's people. If we do these prophetic acts of faith, we will see God move in our lives and households and in our land!

PREPARATION FOR YOUR LAND PRAYER ASSIGNMENT

1. First discern the land God wants you to pray and the location. Agree out loud to God for the assignment. Set a time and date to go pray and decree. Ideally, Sunday night during the 4th watch (3am - 6pm) The 4th watch is the time of deliverance. God will deliver the land and His people at this time out of the hands of the enemy and it's also a time for miracles and resurrection. This is the time of the night Jacob wrestled with the Angel and became Israel. The

time of the night that the people of Israel crossed the Red Sea. The time of night Jesus walked on the water and the stone was rolled from the tomb and Jesus rose from the dead.

2. Get supplies ready, bottle of Communion grape juice, bread or crackers, unbreakable cup, recording of shofar (or actual shofar), plain paper and red sharpie pen, fruit seeds, anointing oil, garden trowel and copy of your prayers and decrees. (The paper can have the new name of the divine purpose of the region that you are proclaiming, such as, Revival for Jesus Christ, Hub for the Outpouring of The Holy Spirit, etc. God may give you the name/purpose he has for it.) If you don't have this, it's okay. The main thing is to get the Communion on the land and repent for it.

3. Go to Google Earth and print out a picture of the area you are called to pray and decree over. Mark the areas where you will stand. Lift up the image to the Lord, thank Him out loud for this assignment, and ask for His Holy Spirit to come and help you and for His angelic hosts to be assigned to you for protection and to carry out the decrees.

4. Ask God out loud to send His hornets ahead to the area. According to Exodus 23:28 and Joshua 24:12, God sent His hornets ahead of His people to drive out the enemies of God and prepare the way of His people before they got there.

5. Ask God to release His "sound" into the region. Call forth the Victory Trumpets of the Lord to be sounded over the region. Ask the Lion of Judah to come and roar over the region.

6. Come into the Courts of Heaven before the Father and repent for your own sins. Get yourself clean and ready. Make sure you are suiting up each day. Get covered in the blood of Jesus, take your Seat of Authority in Christ Jesus, and put on the full armor of God.

7. Ask the Courts of Heaven to be opened for this specific land assignment and the books for this land and region to be opened. Ask for Jesus to intercede on behalf of the region and for you. Ask the blood of Jesus to speak in the courts on your behalf and on behalf of the land. Ask for the cloud of witnesses to be present. Ask angels assigned to this land's divine purpose to be activated to accompany you. Ask for Sentry Angels to surround and protect you.

8. Get ready to head out to your location. Anoint yourself (forehead and feet/shoes) and your vehicle (front and back, sides, and all four tires) asking for God's blessing and that you go forth in the Name of the Lord Jesus Christ.

9. When you get to the land where you will pray, first thank God for this assignment. Then, ask again for the Courts of Heaven to be opened and the books to be opened regarding this land/property/region, etc.

10. Repent for the sins of the land. Ask Father God to open His heavenly courts and repent for all the sins, known and unknown, since the birth of that land going back to Adam. Repent for all of the sins of the people who lived or governed or passed through the land — anything they did that was a sin against God and His word. Repent for any specific sins you found in your research. Repent for adultery, blood curses, broken treaties, injustices, murders, unholy and

ungodly covenants, Freemasonry, dishonest dealings, etc. Anyone who farms or has farmland needs to repent for reading or putting their faith in the Farmers' Almanac instead of in God — for themselves, past generations, or anyone on that land before them going all the way back to the origination of that land. The Farmers' Almanac uses horoscopes and other things that really are considered sorcery and witchcraft!

11. Take Communion — drink part of the juice and pour the rest in the land. Decree that the land is now being cleansed by the blood of Jesus, and ask Jesus for His blood to speak for the land for grace, mercy, and forgiveness. Decree that the land is cleansed and redeemed by the blood of Jesus! Ask for Jesus' blood to be spread all the way to the borders of that region/city.

12. Claim that the land and the region is now in one covenant with Almighty God through the blood of Jesus and that any other unholy or ungodly covenants are now canceled and made null and void and under the blood of Jesus, including all verbal or written farming contracts, agreements, or leases. Declare that the land is 100 percent free and clear. Claim the land/region for the plans and purposes of God, and call forth the divine destiny and purpose for that land to be activated as written in the books in heaven, in Jesus' name.

13. Ask Father God to send the Hosts of heaven to come and go on a search and destroy mission to clean out and unroot and remove anything that is still in the area from the kingdom of darkness. Then post Sentry Angels of God to come and stand guard at the gates and borders of the region. Play a recording of the shofar loud into the atmosphere, and proclaim that Jesus Christ is Lord and King of this land.

14. Praise and worship God, decree Psalm 24 over the land, and if you have oil, pour it on the land and invite the Holy Spirit to come and do creative miracles and stand hold in the land/region from this day forward.
